NUMBER 36

SORRY TO HEAR of the death of Joe Nagel May 9. Joe was a member of Helen Baum and spent much time at their home here following a stroke three years ago. He had been improving, but another, fatal stroke hit. There were 12 children in the family and Joe was the first to die. His funeral was Monday in Oakland.

TWO ALBANY physicians have moved to new office buildings, both in Solano. They are Drs. William J. and Harold Van Maren.

POOR BOB DENNIS is worried because people assume he is retiring. He is re-reading doctor's orders and he is only 60.

LAST FALL, Soroptimists Myrtle McLean and Bernice Boyd were on a vacation trip. The club received a beautifully-wrapped package from them for a raffle. Tickets were enthusiastically purchased and everyone hoped she'd win. I won the prize—a large, black plastic spider! We decided to pass it back to Myrtle as a birthday gift, which was accomplished later at the joint Soroptimist meeting. On the day of Christmas Eve, a gold package was delivered to my door, and within minutes, I had that drafted spider back. Myrtle was to have received it for a New Year's gift. She called to say the joke had been far enough. Last Wednesday, five gifts were lined up for raffle. As the numbers were called, each person picked out the one she (Kiwanians were present) wanted. No. 5 was Myrtle McLean and guess what she won? That's the end of the story, however, because it came out that Bernice had loved the moment she first saw and Myrtle happily gave it to her.

A BRONZE plaque has been installed at the base of the Egan-berger Oak at City Hall.

Inspector Freeman Retires Today; Dinner on Friday

Inspector Vern Freeman
—Theo Kann Photo.

Albany Police Inspector Vern Freeman retires today after 27 years with the department.

His retirement dinner, to which the public is invited, will be this Friday night at the Fratellanza club, 1140 66th St., Oakland. Social hour will begin at 6:30, followed by dinner at 7:30. The deadline for tickets, \$6.50 each, is today. They may be obtained at the Albany Police Department or reserved by telephoning 525-7300. A few may be available at the door Friday night.

Freeman had been a shipping clerk at Detroit Steel Products in Emeryville before joining the de-

partment Dec. 11, 1941, as a duration policeman under Chief Lloyd Jester. He worked 12 hours a day, seven days a week for \$160 a month.

He and his wife, Irene, moved to Albany after the marriage 34 years ago. They first lived on Evelyn, then at 1125 Key Route Blvd., for 19 years and now live at 1741 Walnut in El Cerrito, although the home will be sold when they move soon to their retirement home in Felton.

He plans to fish, travel and feed the birds and squirrels with his wife, Irene, who retired as secretary to the principal of Cornell school last Feb. 29.

Vern is past president of Albany Exchange club, member of Northern California and California Check Investigation association, Police Officers' Research association and Albany Police and Fire Civil Service club.

"I've enjoyed my association with everyone," Vern says, adding with a grin, "and I'll be back to haunt people."

Flowerland Represented At Exposition

Berkeley-Albany is again represented in the California Garden and Home Exposition, now through May 19, at the Oakland Coliseum, by Flowerland Nursery, 1330 Solano Ave., Albany.

According to John Pleich, owner of the nursery, Don Cook, landscape designer for the firm, has come up with a novel display of blooming Astilbe, plus the famed Flowerland display of blooming rhododendrons, prize winner for many years past.

An interesting sidelight to the show this year, Pleich said, is the fact prize and specimen rhododendrons have been kept in refrigerated warehouses to retard the blooming period to enable them to be shown at the Garden Show. The early, warm spring brought out the blossoms many weeks prior to other years, Pleich said.

Council Buttons Up Two Weeks' Work in One Night

Albany City Council will not meet next week because members will be attending the League of California Cities convention, so Monday night they spent two and a half hours wrapping up as many of the loose ends as possible.

And they left the meeting to go back into a work session.

Once more there was a discussion of the Masonic Avenue Underground ordinance and once more it was held over. Masonic Avenue residents, represented by John Thompson and Arthur Jenne, have been opposed to leaving PG&E poles at the intersection of Washington, Portland and Brighton when all other wiring is underground.

Bulletin

Then Senate Finance committee unanimously recommended a "do pass" in Sacramento Tuesday morning for AB159, the bill which would reimburse Albany for the cost of educating children from University Village. The bill next goes before the Senate.

IT'S A GIRL

Mr. and Mrs. Carl Gogna of 2300 San Luis in Richmond are the parents of a daughter, Christina Marie, born May 4 at Providence hospital. The couple's first child, she will be known as Tina. Proud grandparents are Councilman and Mrs. Lewis Howell of Albany and Mr. and Mrs. Sam Gogna of El Cerrito.

IT'S A GIRL

Mr. and Mrs. William (Bill) Wehrle of 505 Kains are the parents of a baby girl, Cheryl Dawn, born May 2 at Alta Bates hospital. She joins a sister, Lisa, almost three. Grandparents are Ellie Wehrle of Oakland and Mr. and Mrs. Walter Landahl of Berkeley. Bill is manager at Dagna's Market.

Monday night, PG&E Manager George Conner and Lighting Specialist J. J. Sturgeon argued for leaving two poles at the Brighton intersection while agreeing the poles at the other intersections could be moved out of the district.

Alice Buckley, manager for Pacific Telephone, argued against leaving the poles at Brighton on legal grounds.

After prolonged discussion, Council voted 5-0 to have the City Attorney draft the ordinance specifying the poles should be moved out of the district. It will be brought up again May 27.

Two letters were received regarding the appointment of a new City Clerk. One from John L. Klavon of 824 San Carlos stated that he wished a review of his application for the job and a personal interview. The second was from Bette Rhodes, who has been in the City Clerk's office since 1947, asking that she be considered since she had learned that shorthand is no longer a requirement.

Councilman Lewis Howell warned that an outside agency had been hired to screen applicants to keep it from becoming a "pork barrel operation." He added only eight of the applicants had been interviewed on recommendation of the firm. Now by opening it up, Council would have to interview all those rejected.

Lions Club Members Plant Trees on Spokane May 19

This Sunday, May 19, on the 600 block of Spokane Avenue, the Albany Lion's club with the cooperation of the Park and Recreation Department will plant approximately 50 trees as the first phase of the overall beautification program.

Three years have passed since the initial steps were taken for the creation of a Master Street Tree Plan. Those three years have consisted of public hearings, responses to newspaper articles from interested homeowners, research, field trips and final selections of trees that have made the tree planting program on Sunday a reality. It is hoped that with the completion of this initial planting, a uniform program can continue throughout the community.

"We wish to thank all those individuals and organizations who have helped make this program become a reality," E. J. Rooney, superintendent of the Park and Recreation department said.

"Our other major area of concern is in the removal of existing bad camphor trees. At last count after an inventory was taken on Friday, May 10, we are faced with the removal of some 218 camphor trees that are extremely bad. We will continue to remove them on the priority basis we have established," he said.

For further information concerning any phase of the Street Tree Program, please call the Albany Park and Recreation department at 526-6116 or 525-5704.

Assemblyman Don Mulford Proves Top Frog Jumper

It was Don Mulford and Jesse Unruh, an unlikely combination at best, who came through for top honors in the Dignitary division of the third annual Jumping Frog Jubilee sponsored by Thousand Oaks Merchants' association at Thousand Oaks school Saturday.

Jesse Unruh I, the frog, leaped eight feet with Mulford's prodding to win for the Assemblyman a one-way ticket to Los Angeles and a trophy from the International Frog Jumping association. The winner of community competition was Pete Said of Berkeley, whose frog, Cheryl, leaped nine feet to win for Said \$100 cash and the right to represent Berkeley in the world competition at Angel's Camp in Calaveras County Thursday through Sunday of this week.

Second place winner was John Williams of Berkeley with John,

who leaped eight feet and three inches. Taking third was Charles Paakkari, Berkeley, whose frog, Cheeta, jumped eight feet and one inch.

Other winners in the Dignitary division were Supervisor Joe Bort, Berkeley Mayor Wallace Johnson and Albany Mayor Richard Clark. All tied for second place. Also jumping frogs in that category were State Senator Nick Petris and El Cerrito Mayor Donald West, who were third, followed by State Senator Lewis F. Sherman and Berkeley Vice Mayor Willmont Sweeney.

Sixty \$5 merchandise orders were awarded by the sponsors. More than 250 entries and about 900 people were involved in the jump, which was conducted under something less than ideal weather conditions.

Marty Webb was general chairman.

Red Cross Needs Volunteers For Livermore Hospital

"It's not a glamour job, but it's tremendously rewarding, and we have a lot of fun."

This is the way Mrs. George W. Wilson describes the service her Red Cross Hospital Volunteers perform weekly at the Veterans Administration Hospital at Livermore. Her only complaint is, "We have to spread ourselves too thin."

No longer exclusively a TB hospital as it was 33 years ago when the first Gray Ladies under Mrs. Benjamin Black visited the patients. Livermore is now a 502 bed general hospital with only one TB ward. Over half the patients are World War II veterans. Working with Mrs. Black in the early days were Mrs. Frank Beck, Anna Flegenbaum, Mrs. John Kimball, Mary E. Moser, Mrs. Alberta Porter, Marguerite Piercy, Clara Probasco and Elizabeth Willoughby.

"The hospital is in such an isolated situation that many of the patients would never have any visitors except us," Mrs. Wilson, chairman of the present Livermore Volunteers explained, "we wish that there were more of us." "It is very hard to have to leave a patient who wants to talk longer because there are so many others waiting to see you."

Members of the unit who leave for Livermore in the Red Cross station wagon every Friday morning may include any or all of the following: Mesdames F. A. Beauchamp, Lawrence Clark, Paul Franks, T. C. Haven, Hector

Turner, Carl Wickbom and George Wilson. The group served over 1,800 hours last year.

Arriving at the hospital they are assigned to the various wards with each woman visiting from 60 to 100 patients during the morning. Talking with the men, writing letters and finding out what each needs from "town" (Livermore, five miles away) is the order of the day. Then they're off in the station wagon again to do the errands and return with their purchases.

"Our shopping lists include everything from music books to hot pepper sauce," Mrs. Wilson said. "Once we get to Livermore, we scatter in all directions—to the jewelers to pick up a watch left for repairs—to the hobby shop for craft materials—to the dry goods store for 'Big Mac greens' (outfits the TB patients proudly wear when they are well enough to graduate from hospital pajamas). If you think you have a lot of errands to do... follow us around!"

Erminie Haven is a "specialist" in this group with which she has worked for 25 years. Both at Livermore hospital and at the Naval hospital in Oakland she directs the patients' craft activities, an important part of their recreational and occupational therapy program. Teaching weaving, rug making, leather and metal crafts and many more, she finds her work extremely satisfying.

"If you are a basically happy person and would like to help where it is really needed, we suggest you join our Livermore Hospital Volunteers, no experience is necessary," Mrs. Wilson says. Please call the Berkeley chapter, American Red Cross for further information.

Berkeley Elks Present Gift To Hospital

Children's Hospital Medical Center of Northern California has received a contribution from the Berkeley Elks Lodge 1002, BPOE, for the purchase of specialized patient monitoring equipment in the hospital's Intensive Care unit.

E. J. Boland, chairman of the Elks Charity committee, presented the check in the amount of \$5,778.28 to Harold T. Norman, hospital administrator, who expressed the desperate need for the equipment which monitors the patient's pulse rate, arterial pressure, venous pressure, and electrocardiogram. "Although our Intensive Care unit nurses are specially trained in techniques for care of our young patients during the critical period immediately following surgery," he said, "they still need and rely upon this fine sophisticated equipment."

Tepping Realty Involved in Sale

Purchase of Chateau Manor, a 142-unit apartment complex in San Leandro, has been completed by Vanguard Investments, the 5-year-old real estate syndicate based in Berkeley. Announcement of the sale was made by Morris Tepping, president of Tepping Realty company, broker for Vanguard Investments and also for the sellers, Federated Mortgage Investors.

Although the exact purchase price of Chateau was not revealed it was learned that the 4.6 acre property has been appraised for \$1,775,000. In addition to apartments and an office facility, it includes a separate recreation building containing a swimming pool, sauna baths, bowling alley and table tennis room.

This constitutes the twelfth income property acquired by Vanguard Investments in its steady expansion program and brings its holding to a total value in excess of \$7,000,000. The organization is currently considering additional acquisitions.

Berkeley Delegates Report On Red Cross Convention

The Red Cross must expand its efforts to involve every segment of the population in its programs and services, and to provide all groups an opportunity to serve their fellow citizens, E. Roland Harriman, chairman of the American National Red Cross, told delegates to the 43rd annual convention of that organization in Denver last week. More than 3,600 delegates from the United States and several foreign countries attended.

Officials from the Berkeley chapter sent as voting delegates were Chairman George Conner, Berkeley Manager of PG&E; Mrs. Margaret Beede, chapter secretary and Assistant Administrator of Herrick Hospital, and Fire Chief Rodney Porter, a Red Cross board member. Mrs. Lewis Gierich, chairman of Volunteers, and Robert Williams, chapter manager, also attended. The group reported on high lights of the convention at the chapter's board meeting Monday.

There is no shortcut to solving the underlying difficulties which have resulted in civil disturbances, Harriman told convention delegates. He termed equal opportunity to be a right "inherent in the very constitution of the United States, but perhaps has been the most difficult to achieve in the history of the nation." "None of us can condone unlawful acts of violence in this problem as in any other of our multitude of problems. But it is incumbent on every American to participate as best he can to bring order out of chaos—and no organization in the country is better qualified through its resource of knowledge and experience and manpower to lend a hand in this great task." Mentioning ways in which the Red Cross could serve the underprivileged, he said, "We are equipped to teach skills in the build-up of their ability to take care of their own in the fields covered by our services and programs. We have the know-how to lend a helping hand, and it will require many helping hands to get where we want to go."

United Bay Area Crusade Announces Allocations

Things are really happening at Codornices Council of Camp Fire Girls, one of the 174 United Bay Area Crusade agencies to receive allocations.

Codornices Council is providing a multitude of services for 600 Albany girls who are part of the 1,300 girl council. To further these services UBAC allocated \$14,000 to the agency.

"The spectrum of activities covered by the Council is exhausting, but exciting to think about," says its new executive director Mrs. Margarie Higdon.

The activities range from creative arts to service groups such as the 10 groups who volunteer help in the State School for the Deaf. At the State school the girls even form a chorus to sing with the deaf patients spelling out the words in sign language.

"It is a moving experience to see the two groups joined so earnestly in an act of communication," the director said.

According to Codornices volunteer president Cyril Orly, UBAC funds will help to enable the agency to form new groups for girls changing schools during the next year.

The Codornices Council of Camp Fire Girls was only one of the agencies to share in the \$11,938,781 direct allocations approved by the UBAC board of directors acting on recommendations from its general budget committee. The arduous and intensely detailed job of determining the distribution of campaign funds is undertaken every year by more than 300 volunteers who spend over a total of 10,000 man hours on the task.

This year for the first time the Crusade has placed \$100,000 in a contingency fund for special emergency programs. This action follows last year's successful expansion of summer programs to meet the needs of unemployed and youth without adequate recreational facilities available to them.

The 1968 allocations to these agencies announced this week were YMCA (Stiles Hall) \$28,957; YMCA Berkeley \$96,357; San Leandro Boys' Club \$51,930; Oakland Boys' Club \$73,527; Alameda Boy Scout Council \$24,000.

Also in Alameda County was a first-time allocation of \$20,000 to Oakland based National Council on Crime and Delinquency which was admitted to UBAC in 1967. The Bay Area Social Planning Council with headquarters in Oakland was allocated \$568,000.

Other Alameda County allocations were Piedmont Council Boy Scouts \$10,000; Camp Fire Girls Alameda-Contra Costa Council \$102,248; Codornices Council \$14,000; Piedmont Council \$9,000; Catholic Social Service of Alameda and Contra Costa \$193,995; Children's Home Society of Northern California \$56,616; Children's Hospital Medical Center of Northern California \$88,841; East Bay Activity Center

\$13,994; East Bay Association for Retarded Children \$23,090; Alameda Family Service \$26,261; Family Service Agency of Central Alameda County \$58,313; Family Service Bureau of the East Bay \$119,422; Family Service of Berkeley \$64,604; Fred Finch Youth Center \$31,952; Goodwill Industries of Oakland \$10,000; Herrick Hospital Clinics \$37,528; Herrick Hospital Department of Rehabilitation \$19,976; International Institute \$52,921; Intertribal Friendship House \$19,271;

Alameda County Legal Aid \$29,400; Lincoln Child Center \$100,976; Alameda County Mental Health Association \$34,948; National Multiple Sclerosis Society \$48,927; Pleasanton Township Welfare Council \$1,600; St. Vincent's Day Home \$25,762; Salvation Army \$431,500; Social Service Bureau, Oakland Council of Churches \$18,751; Travelers Aid of Alameda County \$65,902; Visiting Nurses Association, Berkeley \$18,972; Visiting Nurses, Oakland \$114,829; Alameda County Volunteer Bureau \$26,388; YWCA, Berkeley \$29,456; YWCA, Oakland \$155,768; YWCA, University \$26,461.

Total allocations to the 174 agencies serving the five counties show an increase of \$439,534 or 3.8 per cent over last year.

A fund of \$657,821 was set aside as a reserve against unpaid pledges, which because of deaths, transfers and removals from the Bay Area cost the Crusade 4.5 per cent of the funds available last year.

Finally, \$822,498 is budgeted for campaign and publicity expenses during the 1968 campaign and \$479,147 for year-round administration. The total for these operating expenditures is less than 10 per cent of the funds raised in the campaign.

In discussing the allocation John L. Blumlein, chairman of the General Budget committee stated, "The recommendations made reflect the efforts of the Panels to meet the most urgent needs of the agencies, with appropriate concern for the growth areas and for services available to disadvantaged segments of the population."

"Funds were not adequate to cover all if the most pressing needs reported by the panels."

Thanks For Writing . . .

(A group of Marin school fourth graders toured our plant recently. We enjoyed their thank-you letters so much we decided to share a few of them with you. Ed.)

You told us interesting things about the paper.

The card you gave us worked. Do you ever get tired of writing? I bet you really have to know how to spell.

FAITH GRANKO

I wanted to go to the Albany Times for a long time. I sure like your machines. The best machine I liked was the linotype. I like to see my grandmother and grandfather on that board. We had a nice walk down. It was fun.

Thank you.

ROBERT J. HANSEN

I enjoyed the visit immensely. I can't get over that the printing press has been working for more than thirty-six years.

ED HAZARABEDIAN

P.S. Thank you for the mat, I find it very interesting.

Thank you for letting us to come. It was very interesting. I hope I could come again. I like the first machine. I think it was the linotype machine. The mats you gave us were very nice.

It was very, very interesting the way you do all that work. Is it really hard work? What do you do with the pictures after you use them? I hope you answer this.

NOREEN FUKUMORI

Thank you for letting us go. I liked the linotype machine and how it worked. I tried the mat and it worked but the words didn't show up very well. Thank you for the mat and my Mom will say why don't you put it in our

newspaper? If you have any suggestions, write to me.

JEFF HAMMA

Thank you for showing us around. I have tried to print with the mat you gave me. It worked very good. I didn't know that that linotype machine made the letters and then dropped the letters to make a line. Thank you again for showing us around.

SCOTT CAMERON

Thank you for letting us see the office. It looked small but seemed to expand when we got inside. The linotype was wonderful; we enjoyed it immensely. It was nice of you to give us the mats, thank you again.

PHOEBE GREEN

Thank you for letting all of us to see the thing. I like looking at the man working the machine. And I can't wait to see the next paper. This is a short letter. And it is a short shop and I don't have much to write about.

CLIFFORD WRIGHT

Thank you for showing us around Albany Times. I learned that pictures were put on metal. I wonder why everything is put on metal? I never knew that there was pits under the machines.

Delta Kappa Gamma Society Branch Holds Special Tea

Epsilon Theta, the Albany-El Cerrito chapter of the Delta Kappa Gamma Society, held its Recruitment Tea for Future Teachers at El Cerrito High school cafeteria Wednesday, May 1, at 3:30 p.m. The tea is an annual event by which Epsilon Theta honors prospective teachers among the graduating senior girls of El Cerrito High school and Albany High school. The tea for young women planning careers in the teaching profession has been held annually since 1960, when the Epsilon Theta chapter was founded. The location alternates between the two high schools.

Members, seniors and honored guests were welcomed by Miss Margaret Gilchrist, chapter president. Following her opening remarks concerning the goals of the Delta Kappa Gamma Society to work for the advancement of the teaching profession, Miss Gilchrist introduced the honored guests who responded briefly.

Claude Samples, principal, El

Cerrito High, welcomed the gathering to his school. Harry Price, principal, Albany High, spoke about the intellectual, personal and financial rewards of the teaching profession and the life-time interest which this career offers.

Dr. Denzil Widel, Richmond Superintendent of Schools, referred to the need for teachers in today's expanding public education programs. Kenneth Forry, Albany Superintendent of Schools characterized the teaching of our young people as the single most important job in the society today.

Mrs. Franklin Chapman, president, El Cerrito High PTA, Mrs. Charles Tronoff, member, Albany Board of Education, and other honored guests among the counselors and deans of the two high schools were also introduced to the gathering.

Mrs. F. J. Lott, principal, Marin Elementary school, Albany, introduced Mrs. Dana Gaines, second grade teacher at Marin school. Mrs. Gaines spoke about the responsibility, frustrations, challenges and rewards accruing to the teacher in her association with the young people in her charge.

Miss Mary Jane Sheeran, instructional vice principal, John F. Kennedy High, Richmond, introduced Mrs. Ravenscroft, second year teacher of American Government at Kennedy High. Mrs. Ravenscroft's remarks centered on the challenge of relating class activities to the life students lead and to what they value. Mrs. Ravenscroft expressed concern for the significance of maintaining communication with students and the importance of the teacher's willingness to learn from the students. She described education as a two-way street.

Miss Gilchrist concluded the program with an expression of appreciation to the participants and of good luck in the furthering of the careers of the young future teachers in whose honor the program was held.

Six-Week Fencing Course Opens Tonight

A six-week elementary fencing course will begin at the Berkeley Community YWCA, 2134 Allston Way, tonight, May 15, at 8 p.m.

This foil course will cover the lunge, direct parries (quarte, sixte), disengages, circular parrie, pris de fer and bouting. The course will stress the development of poise, grace, ability, mental agility, reflex and body coordination. The course is open to women, men, girls and boys—with no age limit. He is also studying to become a Maître d'Armes (Master of Arms) in fencing. His teaching experience includes acting as an assistant in fencing classes at the University of California and being employed as an instructor by Cross Swords Fencing Academy.

The fencing course is for those who would like to learn the sport of kings and cavaliers or those who just like a sport with exercise. All equipment is furnished. Registration may be made in advance by mail or on the first night of the class. Further information may be obtained by telephone from the office of the Berkeley Community YWCA, 848-1882.

Chairman of 1968 Buddy Poppy Sale Is Announced

The appointment of David Pile as chairman of the VFW's annual Buddy Poppy sale has been announced by Commander Ralph Phillips of VFW post 2658. Announcement was also made of the appointment of Maybell Allen as auxiliary chairman.

Buddy Poppies will be sold on the streets of Albany May 24-25.

Local VFW and Auxiliary officers expressed a desire to make this year's sale of Buddy Poppies biggest in modern times. They point out that today, with boys fighting in Vietnam, we are reminded of our obligation to help those who gave, and are today giving, so much on our nation's battlefields.

They point out that the continued high cost of living is placing an increased burden on our disabled and needy veterans and on those who are attempting to serve them. Those who buy and wear Buddy Poppies will make a substantial contribution to this worthy cause.

"It is hoped," said these VFW leaders, "that our citizens will contribute generously, and help us remember hundreds of orphans in our National Home at Eaton Rapids, Michigan."

SENIOR CITIZENS

846 Masonic Ave.

by Emma Claymore

A capacity crowd of Seniors was present for the Mother's Day celebration at the Center. Several visitors were present including Harriett Hackathorne, president of Live Oak Senior Center; Jessie Wilson, Scotland, and a guest of Mabel Rossand, Rose Lewis of Albany.

Cake, ice cream and coffee were served with the usual bag lunches.

The one-man show put on by Bill Grant of Fairbanks, Alaska, was much enjoyed. He is a writer and producer for television, radio and stage; teacher of public speaking and author of the book, "Frankly Speaking."

The subject of his talk was "Getting Your Dollar's Worth." His talk was interspersed with a running fire of jokes. He gave away a number of gifts from the market supplies which he advertises.

Clara Edlefsen, music director, presented a wonderful program of singing by the choral group

with Marian Morey at the piano. Several individual numbers were presented.

Harry Greenwood recited "Mother o' Mine" in his usual inimitable style. Alma Stevens sang two numbers which were enjoyed.

Cy Levine sang "Ramona" and Jeanne Hadfield sang "My Mother's Rosary." The crowning number was the Rhythmi Band with 12 members of the choral group in costume, each with his own instrument led by Tena Gregory strumming a washboard. It brought down the house. We hope Clara will favor us with future programs. She deserves much credit for her outstanding work.

Margaret Longpre and Emma Claymore attended a meeting at the Indian Intertribal and Friendship House on East 14th St., Oakland. They report a very interesting meeting and Margaret garnered some notes for Current Events class. Indians from all points of California were represented.

The TV dinners on Tuesday evenings will be resumed and will be continued as long as the attendance is not below 14 people. Dinner is eaten at 5 with social time until 9 p.m.

The Center will be closed on Memorial Day, Thursday, May 30, and the regularly scheduled meeting for that day will be held on Wednesday, the 29th. Birthdays for April and May will be celebrated on Thursday, May 23.

Call 526-3078 for reservations and information about the May Mess Capade bus trip on Wednesday, May 22.

For further information about the Center or its activities, call 526-1601.

Vicky McWilliams Takes Breathing Improving Class

VICKY McWILLIAMS is helped stretch to her toe tips (last girl) by Therapist Marion Hunt during the Breathing Improvement class conducted by Alameda County TB and Health association and Children's Hospital Medical Center.

Vicky McWilliams, 15, daughter of Mr. and Mrs. James D. McWilliams, 1331 Thousand Oaks Blvd., has graduated from the second Breathing Improvement Class conducted by the TB and Health Association of Alameda County and Children's Hospital Medical Center in Oakland.

Vicky was one of six girls who attended six one-hour sessions held each Wednesday afternoon from 3:30-4:30 p.m. so that children will not have to miss school.

Mrs. McWilliams attended the first three full sessions with her daughter. For the last three ses-

sions, she spent only 10 minutes with Vicky and the rest of the time was spent listening to medical social worker Charlotte Crammer, occupational therapist Virginia Persson, and outpatient clinic director Robert Gerdson, M.D., explain how to deal with and understand the limitations of the child afflicted with obstructive breathing disease.

Youngsters are taught breathing, posture and body-building exercises by Mrs. Kathleen Horr, chief, and Marion Hunt, physical therapist at the Medical Center.

Children can only be admitted at their own physician's request, and must be between the ages of three and 18. Pulmonary function tests are given both before and after the training sessions, and medical results are sent to the child's physician upon completion of the course.

Alan Mitchell, M.D., long-time member of the Association's Physician Advisory committee, serves as coordinator for the program.

Fee for the course is \$25 and the next one for which there are openings is the June 19-July 24 session. Parents interested in obtaining more information may call the Christmas Seal agency's office, 893-5474.

DeMolay Program For High 12

The program at Albany High Twelve Club Friday noon, May 17, will honor the DeMolay Leadership Training Program.

Ezra M. Ehrhardt, head of the Western Leadership Camp staff, will address the luncheon. Albany High 12 is sponsoring two DeMolay members for the training which takes place at Asilomar, July 8 to 15. The two members are Cliff Calkins and Greg Potter of El Cerrito-Albany chapter. Both boys will speak briefly to tell what they hope to gain from the training.

President Herbert Rounds emphasizes that leadership is the first priority in the club's youth program. The club also contributes to two scholarship funds — the Wollcott Foundation for graduate study and the Ensign Mayo DeMolay Fund for undergraduate aid to DeMolays. The DeMolays of today will be the leaders of tomorrow.

DeMolay Leadership Training program comprises four camps across the nation. In 1968 the sites are Becket, Mass.; Asilomar, Calif.; Potosi, Mo.; and Blue Ridge, N.C. A fifth camp is under consideration at Estes Park, Colo. Each camp accommodates 150-200 boys for one week of intensive leadership training and wholesome recreation. Mr. Ehrhardt, who has headed the previous camps at Asilomar, states that the attendance and program in 1968 will be the largest and best ever.

CHERI JONES HONORED AT SURPRISE BON VOYAGE

Cheri Jones

Cheri Jones, who is leaving May 20 for an extended stay in Hawaii, was quite surprised when friends flocked together to give her a surprise bon voyage party last Friday night.

Cheri, a 1966 Albany High graduate and a California Real

world-wide, and has been purchased by the Oakland Museum for their permanent collection.

Eubanks was born in Oakland, attended local public schools, and studied photography under Dr. Joseph Humphrey.

Estate Association's statewide essay contest winner, is Past Honored Queen of the Job's Daughters Bethel 265 in Albany.

Friends were expected from as far away as Stockton and Santa Cruz. Cards and telegrams bidding her a good trip came from everywhere including Spokane, Wash.

The guest of honor was driven by limousine to the party by intimate friends after she had been treated to dinner at Albany's new King Tsin restaurant.

Nancy Meniketti was in charge of preparing and presenting the guests. Jim Murrow who acted as Master of Ceremonies proposed a toast to Cheri's future happiness and presented her with a Hawaiian lei.

David McKenna, Concert Master at Albany High school, captured the atmosphere of the evening by entertaining the guests with a few Hawaiian favorites.

Laurel Egenberger presented Cheri with the main gift of the evening: a film in which Laurel, Jim Murrow, Dave McKenna and many other prominent people had participated. The film depicted scenes and re-enactments of Cheri's life in Albany.

Cheri is leaving for Hawaii at 10 a.m. on May 20 from San Francisco International Airport on United Airlines. Friends are invited to the airport to see her off.

McDonalds Wins DAV Award

A drive-in restaurant chain serving the Albany-North Berkeley area this past week received the highest national award of the Disabled American Veterans. First time to be given to any organization in Northern California, the DAV Bronze Award was presented this past week to McDonald's Hamburgers in recognition of their advancement of Americanism and flag flying.

In addition to displaying Old Glory at nearly 1,000 of its locations coast to coast, the restaurant chain was cited specifically for a poll made here in the Bay Area last Independence Day showing the percentage of homes in various communities found flying the Flag on that national holiday. In making the poll, over 6,000 guest cards good for free meals were given out locally by the drive-in chain to homeowners displaying the Flag. A follow-up survey is to be made this coming July 4th.

Compared with a Bay Area average of one home in 10, crew members from the local McDonald's found Flags displayed at 10.6 per cent of the homes surveyed in the Albany-North Berkeley area.

Presentation of the award was made personally by DAV National Commander Francis J. Beaton to local McDonald's personnel at a San Leandro luncheon ceremony staged by Bay Area officers of the organization.

MAY PROCLAIMED SENIOR CITIZENS' MONTH

May is Senior Citizens' Month proclaimed by the President of the United States and by Governor Ronald Reagan.

According to Charles W. Skolen Jr., celebrations, open house, recognition days, art shows, dedications, and three regional conferences sponsored by the California Commission on Aging will highlight the month's activities. The regional conferences will be held in Los Angeles on the campus of the University of Southern California on May 11, the San Francisco Civic Center on May 18, and the Fresno Convention Center on May 29. Registration, which is \$1 including lunch, will start at 8 a.m. The topics to be discussed will be housing, recreation, health, education, and employment.

The key-note speaker for the Los Angeles and Fresno conferences is Mrs. A. M. G. Russell, internationally known in the field of aging and chairman of the Commission, and Spencer Williams, administrator for the Health and Welfare Agency, for the State of California, will speak at San Francisco.

In California there are 1,700,000 people over the age of 65 who should be given opportunities and services in the field of health, housing, education, employment, and recreation. In addition, seniors should and must be given

the chance to give of their experience, and wisdom to solve the problems of local communities.

It is the decision of the California Commission on Aging to call upon all citizens of California to emphasize their local communities or the Senior California Creative Society during Citizens' Month, which is the theme of the month.

Local communities should provide additional information to the California Commission on Aging, 1108 - 14th Street, Menlo Park, California.

Local Man Wins Hole-in-One

Albany resident George Lavinovich may win a trip to Scotland for a result of scoring a hole-in-one recently, at the Mira Vista Club.

Lavinovich, 44, 1438 Oaks Blvd., was entered in the annual Rusty Nail Hole-in-One Sweepstakes, a national contest for golfers.

The winner will be announced early next year.

Albarito Soccer Players Appear At Coliseum Friday

The Albarito mini-leaguers (boys ages 8-12) are tearing up the informal league play as they make mincemeat of the other teams.

Recent games have given the local team scores of 15, 18 and nine to zero! Some of these boys are veterans of the Intermediate league where they developed experience playing against bigger boys.

Now that experience is really paying off. Most of the boys had not seen a soccer ball until last fall, but are now proving to be real "experts."

Because of their prowess they have been chosen to play a short game at half time in the Coliseum at the next Oakland Clippers soccer game, Friday night, May 17. Come out to see them in action.

Their next league game will be against another strong team, Guadalupe, somewhere in the wilds of Oakland.

Boys who may want to learn more about soccer as a body building sport that's fun, are invited to come on out to practice Mondays at 6 p.m. at Cerrito Vista field in El Cerrito. Fundamental skills and rules are taught, as well as playing the game. More information can be obtained from Clay Berling, 524-4808.

Methodist Youth Pancake Breakfast

United Methodist Youth Fellowship of Albany will have a pancake breakfast this Sunday morning, May 19, from 7:30-10:30 a.m. The cost is \$1 for adults, and 50 cents for children under 12 years.

Reservations are available from the youth, at the church office or at the door. Phone 526-7346 for advance reservations.

The young people have decided to use all the proceeds to assist underprivileged youth to attend a Christian camp this summer.
